Kastamonu University Senate Held Its First Meeting of the Spring Semester

The Senate of Kastamonu University held its first meeting of the spring semester of the 2025–2026 academic year under the chairmanship of our Rector, Prof. Dr. Ahmet Hamdi Topal.

On February 5, 2026, the meeting held in our University's Senate Hall was attended by Vice Rectors Prof. Dr. Mehmet Atalan, Prof. Dr. Ömer Küçük, Prof. Dr. Selahattin Kaymakçı, Acting Secretary General Assoc. Prof. Dr. İbrahim Demirbaş, and the senate members.

The 2025 Strategic Plan Evaluation Report was discussed

at the Kastamonu University Senate

The Senate of Kastamonu University convened under the chairmanship of our Rector, Prof. Dr. Ahmet Hamdi Topal. The meeting, held in our university's Senate Hall, was attended by the Vice Rectors Prof. Dr. Mehmet Atalan, Prof. Dr. Ömer Küçük, Prof. Dr. Selahattin Kaymakçı, Acting Secretary General Assoc. Prof. Dr. İbrahim Demirbaş and the senate members.

A KVYS Software Cooperation Protocol was signed between Kastamonu University and Giresun University

Giresun University Rector Prof. Dr. Yılmaz Can visited our Rector Prof. Dr. Ahmet Hamdi Topal in his office on February 4, 2026.

During the visit, the two universities discussed academic collaborations, joint projects, and student exchange programs. The meeting also included an assessment of joint studies that universities could conduct to advance regional development.

Visit from İŞKUR Provincial Director Zeynep Demir to Our Rector

Kastamonu Employment and Business Institution (İŞKUR) Provincial Director Zeynep Demir visited our Rector Prof. Dr. Ahmet Hamdi Topal in his office on February 9, 2026.

During the visit, the collaborative efforts between our University and İŞKUR were discussed, and evaluations were made of programs and career support that would contribute to students' employment processes.

Visit from Levent Uslu, Deputy General President of Memur-Sen and General President of BEM-BİR-SEN, to our Rector

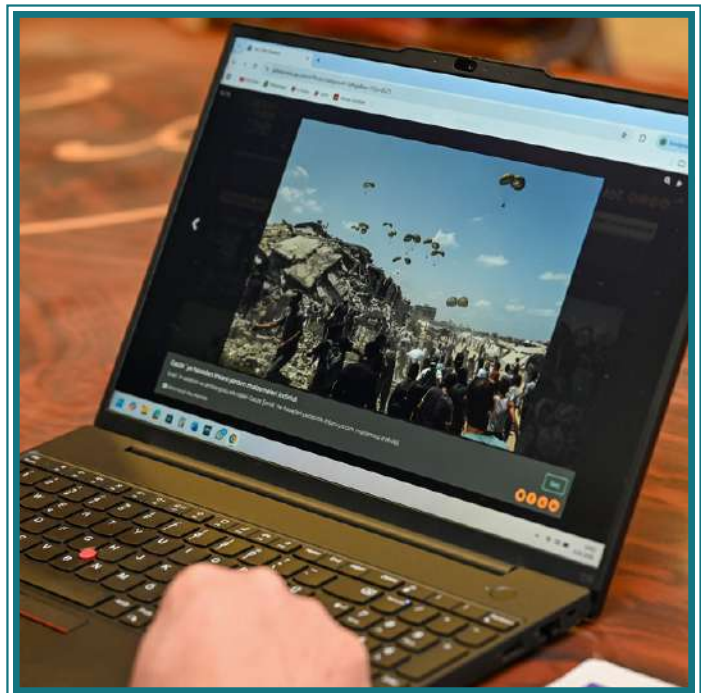

Levent Uslu, Deputy General President of Memur-Sen (Confederation of Public Servants Trade Unions) and General President of the Union of Municipal and Special Administration Employees (BEM-BİR-SEN), visited our Rector, Prof. Dr. Ahmet Hamdi Topal, in his office with his accompanying delegation.

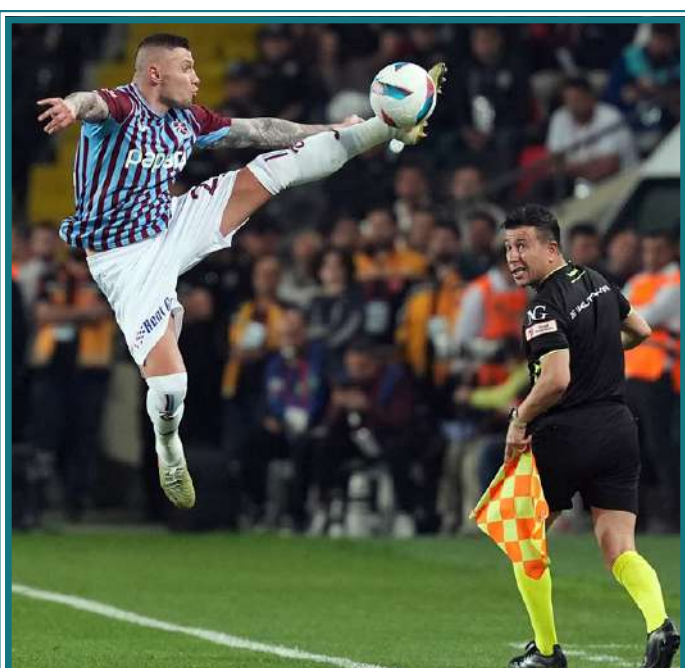

During the visit, BEM-BİR-SEN Kastamonu Provincial President Hakan Sirkecioğlu, Eğitim-Bir-Sen Kastamonu Branch President Orhan Sancaktaroğlu, and Eğitim-Bir-Sen University Representative Uğur Bal were also present.

Our Rector Participated in the Anadolu Agency's (AA) "Pictures of the Year" Voting

Our Rector, Prof. Dr. Ahmet Hamdi Topal, participated in the "Frames of the Year" voting organized by Anadolu Agency (AA), casting votes in six categories for photos taken by AA reporters and photojournalists, both domestically and internationally, throughout 2025.

Kastamonu University Academic Choir Helda Turkish Classical Music Concert as Part of the 20th Anniversary Events

As part of the 20th-anniversary events at Kastamonu University, a Turkish Classical Music concert organized by our University's Academic Choir brought together art enthusiasts. The event, held on February 13, 2026, in the Sezai Karakoç Hall of the Central Library, drew a large turnout.

The concert, held publicly and free of charge, was attended by our Rector, Prof. Dr. Ahmet Hamdi Topal, our academic and administrative staff, our students, and many residents of Kastamonu.

Kastamonu University ranks 6th in Turkey and 4th among universities in the Provincial Rankings of the 6th Term Applications of ÜNİDES

Kastamonu University ranked 6th among provinces and 4th among universities in Turkey in the 6th Term applications of the University Student Communities Cooperation and Support Program (ÜNİDES) conducted by the General Directorate of Youth Services of the Ministry of Youth and Sports.

In the program, which involved student communities from 81 provinces across Turkey, 192 universities, and 345 Youth Offices, a total of 6,659 project applications were submitted. Our university students ranked high in the list with 192 projects.

Kastamonu University ÜNİDES Report Published: Support for 124 Projects in 2025

The "2025 UNİDES Projects Evaluation Report," prepared by the Directorate of Health, Culture, and Sports at Kastamonu University, has been published. In the report, the projects carried out by the student communities operating within our university under the UNİDES program, supported by the Ministry of Youth and Sports in 2025, and the goals for the upcoming period were discussed.

The ÜNİDES program, supported by the Ministry of Youth and Sports, aims to enhance the project development capacities of student communities and promote the more effective use of youth centers and youth offices. Data from the four call periods conducted in 2025 revealed that student projects at our University are being carried out in a planned and sustainable manner.

The First Meeting of the Erasmus+ Project, in which Kastamonu University is a Partner, was Held in Istanbul

The first meeting of the Erasmus+ Project titled "Strengthening Technical and Vocational Skills for the Implementation of Nature-Based Solutions (NbS) in Combating Land Degradation" was held in Istanbul.

The project, financed by the Turkish National Agency and coordinated by the Ministry of Environment, Urbanization, and Climate Change's General Directorate of Combating Desertification and Erosion, in which Kastamonu University is a partner, is being implemented in collaboration with Türkiye, Italy, Spain, and North Macedonia. The project is supported under the European Union Erasmus+ Program with the code 2025-1-TR01-KA220-VET-000357096 and has a total budget of 250,000 Euros.

Kastamonu University Conducted Promotion and Cooperation Activities in Indonesia

Kastamonu University participated in educational events organized in Indonesia as part of its international promotion and cooperation activities, bringing together prospective students, educational institutions, and university representatives. During programs conducted within this scope, information was provided about our University's educational opportunities and efforts for international students.

The promotional and collaboration activities held in Indonesia were attended by our university's International Student Coordinator, Assoc. Prof. Dr. Ahmet Rifat Kaş, and the staff of the External Relations Coordination Office, Fatma Zehra Özcan.

An Erasmus+ Student Mobility Orientation Meeting was Held at Kastamonu University

A general information, coordination, and orientation meeting regarding study and internship mobility in higher education for our students under the Erasmus+ Program was held by the Erasmus Coordination Office of Kastamonu University.

On February 24, 2026, our students and representatives from the Erasmus Office attended the meeting held in the Sezai Karakoç Hall of the Central Library. In the program, academic and administrative matters were discussed in detail to ensure the mobility process was conducted in a planned and healthy manner; participants' questions were answered.

Kastamonu University is participating in the EU-supported HALO-FORCE Project within the scope of the PRIMA Program

Kastamonu Üniversitesi, PRIMA Programı Kapsamındaki AB Destekli HALO-FORCE Projesinde Yer Alıyor

Akdeniz havzasında sürdürülebilir tarımı odağına alan ve 48 ay sürecek uluslararası projede, Üniversitemizin de yer aldığı **Türkiye Konsorsiyumuna** yaklaşık **17 Milyon TL** bütçe ayrıldı.

Kastamonu University continues to participate in international research studies in sustainable agriculture, biodiversity, and combating climate change. In the international project titled "HALO-FORCE: Halophyte-Driven Innovation for Sustainable Farming in Mediterranean Wetlands," which was selected for funding by the European Union under the PRIMA Program and has a total budget of 2,696,250 euros, approximately 17 million TL was allocated to the Turkish consortium, which includes Kastamonu University.

Kastamonu University – Karaganda Buketov University Joint Master's Program Begins Student Admissions

Student admissions are now open for the joint master's program launched under the cooperation protocol signed by Kastamonu University and Karaganda Buketov University, one of Kazakhstan's established higher education institutions. The program was deemed appropriate and officially recognized following evaluations conducted by the Higher Education Council (YÖK).

The "Contemporary Turkish Dialects and Literatures Master's Program with Thesis," launched within the Graduate School of Education, was designed as an international postgraduate education model that brings together the academic expertise of two universities. Within the scope of the program, students will receive education under the guidance of expert academics in their fields; joint courses, academic advisory processes, and research activities will be conducted in collaboration between the two universities.

KASTAMONU ÜNİVERSİTESİ - KARAGANDA BUKETOV ÜNİVERSİTESİ ORTAK YÜKSEK LİSANS PROGRAMI ÖĞRENCİ ALIMINA BAŞLIYOR

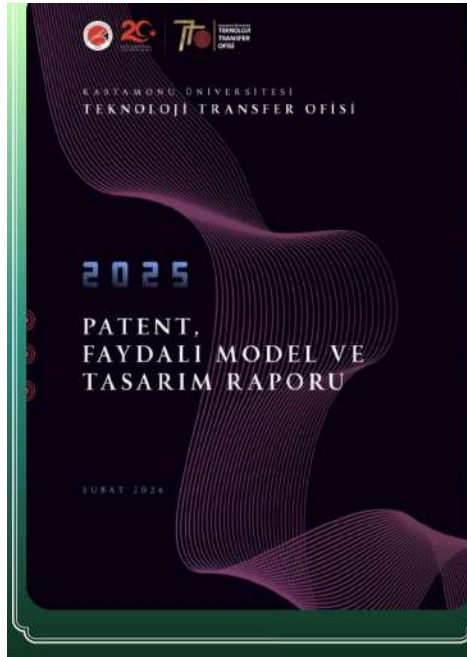

Üniversitemiz ile Kazakistan'ın Karaganda Buketov Üniversitesi arasında imzalanan iş birliği protokolü kapsamında açılan "Çağdaş Türk Lehçeleri ve Edebiyatları Ortak Tezli Yüksek Lisans Programı", YÖK onayının ardından öğrenci kabulüne başlıyor.

Kastamonu University's Patent and Design Applications Reached the Highest Level in 2025

The "Patent, Utility Model, and Design Report" for 2025, prepared by the Technology Transfer Office of Kastamonu University, revealed data regarding our University's intellectual property performance. The report, covering the 2018-2025 period, included application and registration data.

According to the report, patent applications have increased steadily since 2021. The number of applications increased in 2024 and reached the highest level during the period in 2025. In international patent applications, the increase that began in 2023 reached 8 applications in 2025.

Sunscreen Developed with Natural Ingredients from Kanlıca Mushroom Patented

The poster features logos for Kastamonu University, 20th Anniversary, TPO, and TURK PATENT. The title 'Patent Tescili' is in a large, elegant font. Below it, the text reads 'LACTARIUS DELICIOSUS TÜRÜ MANTARLARDAN 25+ FAKTÖR GÜNEŞ KREMİ ÜRETİMİ'. The inventors are listed as 'Buluşçularımız' with two circular portraits: Prof. Dr. Temel Kan BAKIR and Dr. Öğr. Üyesi Mertcan KARADENİZ. The registration number 'TESCİL NO TR 2024 016713' is at the bottom left, and the website 'kastamonuuto.com.tr' is at the bottom center.

Kastamonu University has patented a study on eco-friendly, natural ingredients in the field of dermocosmetics. The SPF 25+ sunscreen developed by Prof. Dr. Temel Kan Bakır, a faculty member of the Department of Chemistry at our university's Faculty of Science, and Dr. Mertcan Karadeniz, a faculty member of the Faculty of Forestry, which contains natural ingredients derived from the *Lactarius deliciosus* (saffron milk cap) mushroom, has been patented by the Turkish Patent and Trademark Office.

Kastamonu University's New Method for Prostate Cancer Treatment Patented

The poster features logos for Kastamonu University, 20th Anniversary, TPO, and TURK PATENT. The title 'Patent Tescili' is in a large, elegant font. Below it, the text reads 'METASTATİK PROSTAT KANSERİNDE DOSETAKSEL TEDAVİSİNİN DESTEKÇİSİ OLARAK SAMBUCUS NİGRA AGGLUTİNİN (SNA) LEKTİNİ'. The inventors are listed as 'Buluşçular' with five rectangular portraits: Doç. Dr. Asuman ÖZGÖZ, Doç. Dr. Nesrin İÇLİ, Doç. Dr. Fadime MUTLU İÇDUYGU, Doç. Dr. Kayaş HEKİMLER ÖZTÜRK, and Prof. Dr. Hale ŞAMLI. The registration number 'TESCİL NO TR 2023 004564' is at the bottom left, and the website 'kastamonuuto.com.tr' is at the bottom center.

Kastamonu University continues to contribute to the literature with its scientific studies in the field of health. Within the scope of research conducted at our university, a new method developed to enhance the effectiveness of the chemotherapy drug used in the treatment of metastatic prostate cancer has been patented by the Turkish Patent and Trademark Office.

In the study applied for under our university's ownership, besides Assoc. Prof. Dr. Asuman Özgöz, a faculty member of the Department of Internal Medicine at the Faculty of Medicine, Assoc. Prof. Dr. Nesrin İçli, a faculty member of the Department of Nutrition and Dietetics at the Faculty of Health Sciences, and inventors from different universities participated.

Assoc. Prof. Dr. Nesrin İçli Elected to the Infectious Diseases Commission of the Ministry of Agriculture and Forestry

Associate Professor Dr. Nesrin İçli, a faculty member of the Department of Nutrition and Dietetics at Kastamonu University Faculty of Health Sciences, was elected as a member of the Infectious Diseases Commission operating under the Ministry of Agriculture and Forestry.

The scientific committees established under the "Veterinary Services, Plant Health, Food and Feed Law" and the "Regulation on the Working Procedures and Principles of Risk Assessment Committees and Commissions" conduct risk assessments using an independent, impartial, and transparent approach.

Special Career Meeting for the 20th Anniversary from Kastamonu University TTO

As part of our university's 20th-anniversary events, the "Future Career – Panel #1," organized by the Kastamonu University Technology Transfer Office (TTO), brought together representatives from the public, finance, and private sectors alongside students.

The program was aimed at supporting career planning for final-year students and establishing direct contact with the business world.

TÜBİTAK 1001 Information Training and Project Writing Workshops Held at Kastamonu University

Under the coordination of the Technology Transfer Office of Kastamonu University, TÜBİTAK 1001 Information Training and subsequent project writing-mentorship workshops were held on February 17, 2026.

The information training held in the Cemil Meriç Hall of our university's Central Library was conducted by our Vice Rector Prof. Dr. Ömer Küçük. The program covered the general framework of TÜBİTAK 1001, application processes, and key points to consider in project writing. Within the framework of the evaluation criteria, the topics of originality, methodological approach, widespread impact, project management, and work-time planning were shared in detail.

Support from TÜBİTAK for the Horse Racing Artificial Intelligence Transformation Project Developed by Kastamonu University

Kastamonu University Daday Nafi and Ümit Çeri Vocational School of Horse Riding and Coaching Program, and the academy company Prolonging Technology A.Ş., operating in Kastamonu Technopolis, have qualified for support from TÜBİTAK through the EQUINNO Project, which aims to drive digital transformation in the equestrian sector. The project, led by Instructor Ayhan Şanlı, will be supported under the TÜBİTAK 1501 Industrial R&D Projects Support Program.

The Türkiye Century Education Model – Kastamonu Meeting was held at Kastamonu University

The Türkiye Century Education Model – Kastamonu Meeting, hosted by Kastamonu University, was held on February 17, 2026, in the Sezai Karakoç Hall of our University Central Library, with the participation of Deputy Minister of National Education Ömer Faruk Yelkenci.

The program was attended by our Vice Rector, Prof. Dr. Selahattin Kaymakçı, the Kastamonu Provincial Director of National Education, Hasan Gümüş, education administrators, teachers, and guests.

Kastamonu University Contributes to Our City and Society with Social Responsibility Projects

The Social Responsibility Projects Office (Social Office) within Kastamonu University has published the 2025 Activity Report, which includes the work carried out throughout 2025. The report details the increasing interest in social responsibility projects across our university, our implementation capacity, and the results reflected in the field, supported by comprehensive data.

According to the report, 481 social responsibility project applications were submitted from across our university in 2025. At the end of the evaluation process, 259 projects were implemented. Of the accepted projects, 130 were led by students and 129 by academics.

KASTAMONU ÜNİVERSİTESİ,
SOSYAL SORUMLULUK PROJELERİYLE
