Kastamonu University's 2025-2026 Academic Year Opening Ceremony was held with the participation of Minister of Agriculture and Forestry İbrahim Yumaklı

The opening ceremony for the 2025-2026 academic year at Kastamonu University was held in the Central Library Sezai Karakoç Hall with the participation of Minister of Agriculture and Forestry İbrahim Yumaklı and many attendees.

Before the opening ceremony, the Minister of Agriculture and Forestry, Mr. İbrahim Yumaklı, visited our Rector, Prof. Dr. Ahmet Hamdi Topal, in his office. Before the visit, Minister Yumaklı signed our University's Honor Book. During the meeting, our Rector informed the Esteemed Minister about the scientific projects carried out by our University, our strategic goals, and the studies contributing to regional development.

After the meeting, the ceremony began. The program was attended by Minister Yumaklı, as well as Kastamonu Governor Meftun Dallı, AK Party Kastamonu MPs Halil Uluay and F. Serap Ekmekci, our Rector Prof. Dr. Ahmet Hamdi Topal, provincial officials, institution heads, academics, and students.

Kastamonu University Hosted AK Party Deputy Chairman Prof. Dr. Hasan Basri Yalçın

AK Party Deputy Chairman and Human Rights Chairman Prof. Dr. Hasan Basri Yalçın evaluated current developments in the “World Order and Türkiye” discussion, and then visited our Rector Prof. Dr. Ahmet Hamdi Topal in his office.

AK Party Deputy Chairman and Human Rights Chairman Prof. Dr. Hasan Basri Yalçın participated in the program titled “World Order and Türkiye” held on October 20, 2025, at the Hoca Ahmet Yesevi Cultural Center of Kastamonu University. In the interview, which was followed by a large number of students, Prof. Dr. Yalçın discussed Türkiye’s international position, security policies, and the changing global balances.

Kastamonu University Hosted the TÜBA Science Event

Kastamonu University hosted an event as part of the Turkish Academy of Sciences (TÜBA) "University Conferences" program, with Prof. Dr. Fikrettin Şahin from Yeditepe University as the speaker.

The program, held on October 23, 2025, in the Cemil Meriç Hall of our University's Central Library, was attended by Vice Rector Prof. Dr. Ömer Küçük, our faculty members, and a large number of our students.

Scientific Touch to Child Health at Kastamonu University

The Kastamonu Pediatric Days, organized by the Pediatric Specialization Academy Association (PUADER) and hosted by Kastamonu University, began on October 4, 2025, at the Hoca Ahmet Yesevi Cultural Center. The event, which discussed current developments in the field of child health, was held with the participation of academics and physicians. The aim of the Kastamonu Pediatric Days is to contribute to the sharing of new approaches to child health and the development of collaborations.

Kastamonu University Re-enters THE 2026 World University Rankings

Times Higher Education (THE), one of the world's most prestigious higher education ranking organizations, announced the results of the World University Rankings 2026 for the year 2026. In this year's ranking, which evaluated 2,191 universities from over 100 countries, Kastamonu University was included among the world's successful universities, ranking in the 1501+ band.

The Times Higher Education World University Rankings are recognized as a comprehensive performance indicator that evaluates research-focused universities across key missions

such as teaching, research environment, research quality, industry collaboration, and international outlook. This evaluation, based on the universities' performance over the past five years, is among the most widely trusted analyzes by students, academics, the business world, and governments.

Kastamonu University Ranked 4th in Turkey for UNİDES 5th Term Applications

Kastamonu University ranked 4th nationally in the 5th term applications for the University Student Communities Cooperation and Support Program (ÜNİDES), which is carried out by the General Directorate of Youth Services of the Ministry of Youth and Sports.

A total of 3,764 project applications were submitted to the program, which was attended by student communities from all 81 provinces across Turkey. Our university students, with 141 projects, ranked high in the standings.

Kastamonu University in the 2025-2026 URAP Türkiye Ranking: 22nd Among 126 Universities Established After 2000

Kastamonu University ranked 66th among 198 universities in the 2025-2026 URAP Turkey ranking. Our university maintained its previous years' success graph this year with a score of 674.30.

In the 2025-2026 URAP Turkey ranking, among 126 state and private universities established after 2000, our university is ranked 22nd. Our university ranked 16th among 72 state universities established after 2000.

Kastamonu University Ranked First in Turkey in the 5th Term of ÜNİDES

Kastamonu University was the university with the most projects accepted nationwide in the 5th round of applications for the “University Student Clubs Cooperation and Support Program” (ÜNİDES), which is carried out by the General Directorate of Youth Services. 39 projects prepared by our university’s student clubs were selected to receive support under the program.

Project applications for the 5th term of ÜNİDES, implemented to contribute to the personal and social development of young people, were accepted between September 16 and October 15, 2025. Out of the projects prepared by the student clubs of Kastamonu University, a total of 39 projects were approved for support, including 33 local and 6 national projects. As part of the program, students will receive financial support of up to 75,000 TL for local projects and up to 125,000 TL for national projects.

The award ceremony for the “Muhammad İhsan Oğuz VI. Theology Graduate Thesis Competition” was held at Kastamonu University

The award ceremony for the “Muhammed İhsan Oğuz VI. Graduate Thesis Competition in Theology,” organized by the Muhammed İhsan Oğuz Application and Research Center at Kastamonu University with the support of the Muhammed İhsan Oğuz Foundation, was held on October 27, 2025, in the Sezai Karakoç Hall of the Central Library.

The competition was organized to encourage postgraduate research in theology and contribute to academic studies.

The Opening Ceremony of the “Specialization Universities Workshop” was held at Kastamonu University

The opening ceremony of the “Specialization Universities Workshop,” hosted by Kastamonu University, was held on October 6, 2025, in the Central Library Cemil Meriç Hall.

The ceremony was attended by our Vice Rectors, Prof. Dr. Ömer Küçük and Prof. Dr. Selahattin Kaymakcı, as well as representatives from 25 universities specializing in specific fields, academics, and students. The program began with a moment of silence and the playing of the Turkish National Anthem, followed by a screening of the Kastamonu University trailer.

A panel titled “The 102nd Anniversary of the Republic: The Rebirth of a Nation” was held at Kastamonu University

The Department of History at the Faculty of Humanities and Social Sciences of Kastamonu University organized a panel titled “The 102nd Anniversary of the Republic: The Rebirth of a Nation” on the occasion of the 102nd anniversary of the declaration of the Republic. The panel discussion, held on October 30, 2025, in the Central Library’s Cemil Meriç Conference Hall, was moderated by Prof. Dr. Mehmet Serhat Yılmaz.

Kastamonu University Hosted the 5th International Aviation Management Congress

The 5th International Aviation Management Congress (ICAM25), hosted by the Kastamonu University School of Civil Aviation, was held from October 23-25, 2025. At the congress, which brought together representatives from academia and industry, current developments, problems, and proposed solutions in the aviation field were discussed.

The Workshop on Nature-Based Nutrition Education with Forestry Materials was held at Kastamonu University

The “Workshop on the Development of Materials and Models for Nature-Based Nutrition Education with Forestry Materials,” supported by the Kastamonu University Specialization Coordination Office for Forestry and Nature Tourism and coordinated by the Department of Nutrition and Dietetics at the Faculty of Health Sciences, was held on October 10-11, 2025, hosted by Kastamonu University.

The “Transformative Power of NGOs and Volunteering in the Sustainable Development of the City” program was held at Kastamonu University

The program titled “The Transformative Power of NGOs and Volunteering in the Sustainable Development of the City,” organized in collaboration with the Department of Political Science and Public Administration at the Faculty of Economics and Administrative Sciences of Kastamonu University and the Ombudsman Student Community, took place on October 23, 2025, in the Faculty of Economics and Administrative Sciences conference hall.

Kastamonu University participated in the European Researchers' Night event, which was one of the activities of the "Imagine, Innovate, Create Impact (i3)" project supported within the framework of Horizon Europe Marie Skłodowska-Curie Actions (MSCA). The event, hosted by Van Yüzüncü Yıl University on September 26-27, 2025, stood out as one of the largest science communication organizations held simultaneously across Europe.

imagine innovate impact (i³)

Meaningful Support for Gaza from Students of the Faculty of Theology at Kastamonu University

Students from the Faculty of Theology at Kastamonu University organized a meaningful event on October 3, 2025, to draw attention to the humanitarian tragedy in Gaza and to show solidarity with the Palestinian people.

The march, which began in front of our university's Central Library, continued to the Faculty of Theology with a large turnout. Aiming to be the voice of the Palestinian people with the banners they carried and the slogans they chanted, the students reacted to the events with expressions like "Down with Israel" and "Gaza is not alone."

Kastamonu University's Social Responsibility Project Sends a Message of Solidarity to Palestine

Kastamonu University's Head of the Department of International Relations, Assist.Prof.Dr. Murat Yılmaz implemented a social responsibility project to draw attention to the humanitarian crisis in Palestine.

With the project implemented in collaboration with Kastamonu University International Relations Student Community and Kastamonu Governorate Open Door Branch Directorate, Palestinian students studying at the university aim to raise awareness on peace, human rights, and empathy through events organized in middle schools in Kastamonu. Additionally, the project aims to raise awareness among secondary school students in Kastamonu about the humanitarian situation in Palestine.

Kastamonu University Faculty of Medicine Students Took Their First Steps into the Profession with the White Coat Ceremony

The White Coat Ceremony for the 2025-2026 Academic Year at Kastamonu University Faculty of Medicine was held on October 3, 2025, in the Sezai Karakoç Hall of the Central Library with high participation.

The 144 medical students who began their education this year took their first steps into the medical profession by donning white coats at the ceremony. Academic and administrative staff, students, and families attended the program.

The Parent School-6 event was held by the Child Education Application and Research Center

The sixth event of the Parent School activities conducted by the Kastamonu University Child Education Application and Research Center was held on October 12, 2025, at the Baby and Child Library.

Associate Professor Dr. Aysun Ata Aktürk, a faculty member in the Department of Preschool Education at the Faculty of Education, arranged the event, which began with an icebreaker game to help attendees get to know one another.

Young People Met in Kastamonu to Fight the Climate Crisis

The “Future of Climate: Climate of the Future 3” Project, led by Kastamonu University, which specializes in forestry and nature tourism, has been completed.

The project, coordinated by Lecturer Dr. Berkan Güngör, was supported for the third time within the scope of the TÜBİTAK 4004 Nature Education and Science Schools Call and was held between September 1-6, 2025.

Kastamonu University Achieved a High Placement Level in the 2025 YKS Additional Placement

Kastamonu University stood out with an overall occupancy rate of 96.36% based on the results of the 2025 Higher Education Institutions Exam (YKS) additional placements. As a result of the additional placement, 403 students were placed in the 404 limits allocated to our university's associate degree programs, and 100 students were placed in the 118 quotas allocated to undergraduate programs. Thus, with 503 out of a total of 522 quotas filled, Kastamonu University once again demonstrated its desirability.

Support for Water Quality and Sustainability Research of Küre Mountains National Park (Ulukaya) led by Kastamonu University

Academics from Kastamonu University have launched a new scientific research project that will contribute to the protection of the region's water resources and sustainable environmental management. The project titled "Evaluation of Water Quality Around Küre Mountains National Park (Ulukaya) Using Water Analysis and GIS Techniques," which will be carried out in collaboration with public institutions outside the university, was accepted on October 8, 2025.

Water Quality and Sustainability Research in the Küre Mountains by Kastamonu University

Kastamonu University has added another new study to its scientific research in environmental and sustainability. The project titled "Analysis of Water Quality at Küre Mountains Azdavay Saray Waterfall using Geographic Information Systems (GIS)," which will be carried out in collaboration with public institutions outside the university, has been approved for funding.

New Invention Registered by the Turkish Patent Office: “Circular Prism Cover and Mechanism”

The innovative design developed by Dr. Erman Zurnacı, a faculty member at Kastamonu University, has been registered by the Turkish Patent and Trademark Office under the name “Circular Prism Cover and Mechanism.” This invention aims to make the plug-socket connection of electrical devices more ergonomic, safe, and practical.

Kastamonu University will develop new-generation building materials with its registered patent

The patent titled “Production and Method of Oriented Strand Board (OSB) with Nano Additive-Reinforced Adhesive,” invented by Prof. Dr. Alperen Kaymakçı, a faculty member in the Department of Forest Industry Engineering at Kastamonu University Faculty of Forestry, and Kadir Doğan, a doctoral graduate in Forest Industry Engineering, has been registered by the Turkish Patent and Trademark Office.

TÜBİTAK Supports Kastamonu University’s Forest Fires Project

The project titled “Emergency Landscape Restoration Planning in Areas Damaged by Forest Fires: A Remote Sensing Approach Based on Land Use-Land Cover and Land Surface Temperature,” led by Assist.Prof.Dr. Merve Kalaycı Kadak, a faculty member at the Faculty of Engineering and Architecture, has been awarded support under the TÜBİTAK 1002-B Emergency Support Program.

“Students Community Introduction Days” Began at Kastamonu University

The “ Introduction Days of Student Communities “ organized with the participation of student clubs operating under the Department of Health, Culture and Sports at Kastamonu University have begun. During the event, which will take place from October 6-10, 2025, students will have the opportunity to learn about the activities of the clubs and become members at the booths set up in front of the Central Cafeteria.

The event, which is attracting significant interest from university students, will feature 78 student clubs operating in various fields. Communities that carry out a wide range of activities, from aviation to entrepreneurship, from theater to photography, from environmental projects to social responsibility activities, will introduce their projects, events, and planned activities for the new term at the booths they set up.

Student Community Introduction Days at Kastamonu University Concluded

The “Student Community Introduction Days” event, organized by the Department of Health, Culture, and Sports at Kastamonu University, was held in front of our university’s Central Cafeteria from October 6th to 10th, 2025.

Our Vice Rector, Prof. Dr. Mehmet Atalan, along with the Acting Secretary General, Assoc. Prof. Dr. İbrahim Demirbaş, Student Affairs Department Head Aydın Caymaz, and Health and Culture Department Branch Manager Ali Acarca visited the event area on October 10, 2025. During the visit, our university administration toured the community stands, learned about their activities, and had the opportunity to listen to the students’ questions and understand their expectations. During this process, students were served chicken and rice.
